

# The Beatles, Baby It's You

Sha la la la la la  
Sha la la la la la  
Sha la la la la la  
Sha la la la  
It's not the way you smile that touched my heart  
Sha la la la  
It's not the way you kiss that tears me apart

But how many many many nights roll by  
I sit alone at home and cry over you  
What can I do  
Can't help myself  
Cause baby it's you  
Sha la la la la la  
Baby it's you  
Sha la la la la la  
Sha la la la

You should hear what they say about you  
(Cheat, cheat)  
Sha la la la  
They say, they say you never never never ever been true  
(Cheat, cheat, cheat)

Whoa ho, it doesn't matter what they say  
I know I'm gonna love you any old way  
What can I do, when it's true  
Don't want nobody, nobody  
'Cause baby, it's you  
Sha la la la la la  
Baby it's you  
Sha la la la la la

Don't leave me all alone  
Sha la la la la la  
Come on home  
Sha la la la la la  
Baby it's you
