

The Beatles, Got To Get You Into My Life

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I
Could see another kind of mind there
Oo, then I suddenly see you
Oo, did I tell you I need you
Every single day of my life?

You didn't run, you didn't lie
You know I wanted just to hold you
And had you gone, you knew in time
We'd meet again for I had told you
Oo, you were meant to be near me
Oo, and I want you to hear me
Say we'll be together every day

Got to get you into my life

What can I do? what can I be?
When I'm with you I want to stay there
If I'm true, I'll never leave
And if I do I know the way there
Oo, then I suddenly see you
Oo, did I tell you I need you
Every single day of my life?

Got to get you into my life

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I
Could see another kind of mind there
Oo, then I suddenly see you
Oo, did I tell you I need you
Every single day?
