

# The Beatles, It's Only Love

I get high when I see you go by, my oh my  
When you sigh my inside just flies, butterflies  
Why am I so shy when I'm beside you

It's only love and that is all  
Why should I feel the way I do  
It's only love and that is all  
But it's so hard loving you

Is it right that you and I should fight, every night  
Just the sight of you makes nighttime bright, very bright  
Haven't I the right to make up girl

It's only love and that is all  
Why should I feel the way I do  
It's only love and that is all  
But it's so hard loving you  
Yes it's so hard loving you  
Loving you
