

# The Beatles, The Night Before

We said our good-byes  
Love was in your eyes  
Now today I find  
You have changed your mind  
Treat me like you did the night before

Were you telling lies?  
Was I so unwise  
When I held you near  
You were so sincere  
Treat me like you did the night before, yeah

Last night is the night I will remember you by  
When I think of things we did  
It makes me wanna cry

We said our good-byes  
Love was in your eyes  
Now today I find  
You have changed your mind  
Treat me like you did the night before, yes

When I held you near  
You were so sincere  
Treat me like you did the night before

Last night is the night I will remember you by  
When I think of things we did  
It makes me wanna cry

Were you telling lies?  
Was I so unwise  
When I held you near  
You were so sincere  
Treat me like you did the night before  
Like the night before
