

The Bella Cullen Project, W.W.W.H?

VERSE 1:

Well, some people say that chivalry is dead
But I'm thinking someone else is dead instead
But then again Mike Newton doesn't even know what chivalry is
So I guess I'll check out this Edward Cullen kid

CHORUS:

I'll find out what's wrong with him
It's more like what's right with him
Something's very right with him

VERSE 2:

So I drive to school in my old, red truck
Edward's volvo's gone; I guess I'm out of luck
It's gonna take a brilliant person just to figure out what he is
So I guess I'll check out this Edward Cullen kid

CHORUS

BRIDGE:

It's gonna take some time for me to figure out what he's all about
But something's not right with this crazy Cullen crowd

VERSE 3:

Well, some people say that chivalry is dead
Now I know of someone else who's dead instead
Apparently Mike Newton doesn't know how to take a hint
I'm starting to like this Edward Cullen kid

ENDING CHORUS:

I found out what's wrong with him
It's more like what's right with him
Something's very right with him
