The Birthday Massacre, Black

I think my friend said, "I hear footsteps." I wore my black and white dress to the Birthday massacre, birthday massacre, birthday I wore my black and white dress I think my friend said, "Stick it in the back of her head." I think my friend said, "Two of them are sisters." "I'm a murder tramp, birthday boy", I think I said "I'm gonna bash them in, bash them in", I think he said Then we wished them all a happy birthday We kissed them all goodnight. Now he chases me to my room Chases me to my room, chases me In my black and red dress I think my friend said, "Don't forget the video." I think my friend said, "Don't forget to smile." "You're a murder tramp, murder tramp", I think he said

"You're a murder boy, birthday boy", I think I said
