

# The Black Crowes, She Talks To Angels

She never mentions the word addiction  
In certain company  
Yes, she'll tell you she's an orphan  
After you meet her family

She paints her eyes as black as night, now  
Pulls those shades down tight  
Yeah, she gives a smile when the pain comes  
The pain's gonna make everything alright

Says she talks to angels  
They call her out by her name  
Oh yeah, she talks to angels  
Says they call her out by her name

She keeps a lock of hair in her pocket  
She wears a cross around her neck  
Yes, the hair is from a little boy  
And the cross is someone she has not met, not yet

Says she talks to angels  
Says they all know her name  
Oh yeah, she talks to angels  
Says they call her out by her name

She don't know no lover  
None that I ever seen  
Yeah, to her that ain't nothing  
But to me, yeah me  
It means everything

She paints her eyes as black as night now  
She pulls those shades down tight  
Oh yeah, there's a smile when the pain comes,  
The pain's gonna make everything alright, alright yeah

She talks to angels  
Says they call her out by her name  
Oh yeah-eah-eah, angels  
Call her out by her name  
Oh-oooh-oh-oh angels  
They call her out by her name  
Oh-oh, she talks to angels  
They call her out  
Yeah-eah-eah, they call her out  
Don't you know that they call her out by her name?
