

# The Black Keys, Hurt Like Mine

How you hurt me, oh,  
Oh, how you caused me pain,  
Yeah a hurt like mine,  
You could,  
You could never,  
Never understand,  
Never understand,

I remember...the tears were in my eyes,  
River town is burning,  
The clouds they roll on by,  
Roll on by,

She said, &quot;I'm alright if you're hangin' on,  
Be your shoulder,  
Lay your troubles on,  
Your troubles on.&quot;
