

# The Casualties, Fight For Your Life

Fight for your life! Fight for your life! ...  
One!Two!One!Two!One!Two!Three!Four!  
Our ripped up clothes is pain  
The holes in my shoes are no trend  
The low paying jobs we get  
Our noise has to be heard  
Fight for your life  
One!Two!One!Two!One!Two!Three!Four!  
Don't ever give up the fight  
Our time will come one day  
"Life is easy", nobody ever said  
But I'll make the best of it that I can  
Fight for your life  
One!Two!One!Two!One!Two!Three!Four!  
Put your head up high  
Never give up the fight  
So let them all fucking know  
We'll stand up for our rights  
Fight for your life  
One!Two!One!Two!One!Two!Three!Four!  
The time is fucking right  
To stand up and fight  
Our sweat will not be in vain  
Our screams have to be heard
