

# The Chainsmokers, All We Know (ft. Phoebe Ryan)

Fighting flames on fire  
Hang onto burning wires  
We don't care anymore  
Are we fading lovers?  
We keep wasting colors  
Maybe we should let this go?

We're falling apart, still we hold together  
We've passed the end, so we chase forever  
Cause this is all we know  
This feeling's all we know

I'll ride my bike up to the road  
Down the streets right through the city  
I'll go everywhere you go  
From Chicago to [?]  
You tell me, "Hit this and let's go"  
Blow the smoke right through the window"  
Cause this is all we know

Cause this is all we know /2x

Never face each other  
One bed, different covers  
We don't care anymore  
Two hearts still beating  
On with different rhythms  
Maybe we should let this go?

We're falling apart, still we hold together  
We've passed the end, so we chase forever  
Cause this is all we know  
This feeling's all we know

I'll ride my bike up to the road  
Down the streets right through the city  
I'll go everywhere you go  
From Chicago to the [?]  
You tell me, "Hit this and let's go"  
Blow the smoke right through the window"  
Cause this is all we know

Cause this is all we know /3x
