

The Chainsmokers, Don't Let Me Down (ft. Daya)

Crashing, hit a wall
Right now
I need a miracle
Hurry up now
I need a miracle
Stranded
Reach out
I call your name but you're not around
I say your name but you're not around

I need you /3x
Right now
I need you
Right now
So
Don't let me / 3x
Down
I think I losing my mind now
Its's in my head
Darling, I hope
That you'll be here
When I need you the most
So
Don't let me / 3x
Down

Running out of time
I really thought you were on my side
But now there's nobody by my side

I need you /3x
Right now
I need you
Right now
So
Don't let me / 3x
Down
I think I losing my mind now
Its's in my head
Darling, I hope
That you'll be here
When I need you the most
So
Don't let me / 3x
Down
