

# The Chainsmokers with Kygo, Family

i know water that's thicker than blood that's deeper than love  
whit my friends  
people come and some people go  
and some people ride to the end

when I am blind in my mind  
I swear they be my rescue  
my lifetime  
I don't know what I'd do if i  
if I'd survive  
my brothers and my sisters  
in my life

I know some people they would die for me  
we run together they're my family  
when I get up thet gon' be high whit me  
I'll say forever my family  
family  
I'll say forever my family  
I'll say forever my family

stolen dreams took our  
our childish days  
still ain't nothing changed now we're grown  
we're still young still got our minddles ways  
and or timeless phase kicking songs

when I am blind in my mind  
I swear they be my rescue  
my lifetime  
I don't know what I'd do if i  
if I'd survive  
my brothers and my sisters  
in my life

I know some people they would die for me  
we run together they're my family  
when I get up thet gon' be high whit me  
I'll say forever my family  
family  
I'll say forever my family  
I'll say forever my family
