

The Cheetah Girls, Cheetah Sisters

(Verse 1:)

(Galleria)

There's a time when we all choose

(Dorinda)

To either quit

(Aqua)

Or follow through

(Galleria)

To just loose faith

(Aqua)

Or trust your heart

To somehow lead you through the dark

(Galleria)

We're not the only one

(Dorinda)

Who's dreamin'

(Chanel)

And who needs help to carry on

(All)

We might get lonely but we're not alone

(Guitar Solo)

(1st Chorus:)(All)

Cause we are sisters

We stand together

We make up one big family though we don't look the same

Our spots are different

Different colors

We make each other stronger

That ain't ever gonna change

We're cheetah girls cheetah sisters

(Verse 2:)

(Aqua)

Gotta do what we gotta do

Got the brains, got the power and we speak the truth

(Chanel)

We're from everywhere around the world

So ya best respect the cheetah girls

(Dorinda)

Dancin, singin from our birth

Workin hard for what we deserve

(Chanel)

Trying not to break the rules

Cause mama didnt raise no fools

It may seem we're only dreamin

(Galleria)

And we need help to carry on

(Chanel)

Its good to know we're not...

(All)

Alone

(2nd Chorus:)(All)

Cause we are sisters

We stand together

We make up one big family though we don't look the same

Our spots are different, different colors

We make each other stronger
That ain't ever gonna change
Believe it mister
We're cheetah girls cheetah sisters

(Bridge:)
(Galleria)
Someone's always there behind

(Chanel)
To catch us if we fall

(3rd Chorus:)(All) Chanel sings ()
