

The Chemical Brothers, Goodbye

til we meet again
oh my love
x2

oh my love

oh my love

til we meet again
oh my love
x2

oh my love

oh my love

seems so long my love
when you say goodbye
i cry

til we meet again
oh my love
x2

oh my love

oh my love

seems so long my love
when you say goodbye
i cry

seems so long my love
when you say goodbye
i cry
