

# The Chemical Brothers, Life Is Sweet

Days like this are sweet  
I'm talking in my sleep  
I think you're goin soft  
I know its stiff for me  
And Saturdays are short  
I'm walkin with my dog  
A (lie's a canyon size)?  
Break up home there's nothing (bound and left)?

Longer that I love  
Break up home there's nothing wrong with me

I'm driving in the sun  
It's a hell of a way down south  
Bring me back my love  
And (?) in your home

And Saturdays are short  
I'm walking with my dog  
A (lie's a canyon size)?  
Break up home there's nothing on the knife

And days like this are sweet  
I'm walking in my sleep  
It's a place where I belong  
I banged a million drums  
Someday I'll go back home  
You'll pick it up and go

I like it in my head  
And caught up in your love
