

# The Clash, Dictator

Yes I am the dictator the more guns I got the better  
Yes I am the liquidator I carry the old Beretta  
You know there once was freedom  
You know how dangerous that can be  
The people used to dance & sing  
& they used to run wild in the streets  
But now I am the voice  
Howling from your radio  
From my armour plated Cadillac  
You'll hear what I say goes

Yes I am the dictator I satisfy the U.S. team  
I always do my killing in the woods & keep the city gutters clean  
Cos I need a few more dollars  
For my fighter pilot to be free  
To dive bomb on the population  
If they go running wild in the streets  
Yes I am that voice...etc

Yes I am the crusador I spent twenty years in exile  
But now I am the invader & I'm never never gonna die  
Yes I am the dictator my name is on your ballot sheet  
But until my box has your cross you know the form is incomplete  
And you know.....etc
