The Corrs, Humdrum

Hey you're too true to be good And I'm too bad to pretend Transparent and transfixed, I'm uncool

Heart beat you're looking at me Must stop I'm letting you see This isn't how I want to be

I have visions like no other So romantic you'll discover

I wanna take you for granted Drift while you're talking Bathe while you're downstairs And chat on the phone

Fall asleep before bedtime Pass in the hallway Forget your birthday And shrink all your clothes

(I wanna)

This is every girl's dream
No milk left for your tea
Baby's crying louder than me
Who lost the keys of your car
Sorry that would be me
I'd wake up only I'm not asleep

I have daydreams of another So romantic you'll discover

I wanna take you for granted Drift while you're talking Bathe while you're downstairs And chat on the phone

Fall asleep before bedtime Pass in the hallway Forget your birthday And shrink all your clothes

(I wanna) (I wanna)

I have visions like no other So romantic you'll discover

I wanna take you for granted Drift while you're talking Bathe while you're downstairs And chat on the phone

Fall asleep before bedtime Pass in the hallway Forget your birthday And shrink all your clothes

Let me take you for granted Drift while you're talking Bathe while you're downstairs And chat on the phone Fall asleep before bedtime Pass in the hallway Forget your birthday And shrink all your clothes

(I wanna) (I wanna)

Did I say that out loud?
