

# The Corrs, Long Night

It doesn't really matter now you're gone  
You never were around that much to speak of  
Didn't think that I could live without you, baby  
It couldn't be that hard to live alone

But I'm all, all alone again  
Thinking you will never say  
that you'll be home again

And it's gonna be a long night  
And it's gonna be cold without your arms  
And I'm gonna get stage fright caught in the headlights  
It's gonna be a long night  
And I know I'm gonna lose this fight

Once upon a time we fell in love  
And I thought that I would be the only one

But now I'm on, on my own again  
Thinking you will never show  
you won't be home again

And it's gonna be a long night  
And it's gonna be cold without your arms  
And I'm gonna get stage fright caught in the headlights  
It's gonna be a long night  
And I know I'm gonna lose this fight

Lost in your arms baby,  
Lost in your arms

But now I'm all on my own again  
Thinking you will never show  
you won't be home again

And it's gonna be a long night  
And it's gonna be cold without your arms  
And I'm gonna get stage fright caught in the headlights  
It's gonna be a long night  
And I know I'm gonna lose this fight  
I'm gonna get stage fright caught in the headlights

It's gonna be a long night  
And I know I'm gonna lose this fight  
I'm lost in your arms baby  
Lost in your arms

fade out
