The Corrs, Queen Of Hollywood

She drove a long way through the night From an urban neighborhood She left her mother in a fight For a dream misunderstood And her friends they talk on corners They could never comprehend

But there was always something different In the way she held a stare And the pictures that she painted Were of glamour and of flair And her boyfriend though he loved her Knew he couldn't quite for fill He could never meet her there

She's never gonna be like the one before She read it in her stars that there's something more No matter what it takes no matter how she breaks She'll be the Queen of Hollywood

And the cynics they will wonder What's the difference with this dream And the dreams of countless others All believing in TV They see their handprints in a sidewalk Flashing cameras on the scene And a shining limousine

She's never gonna be like the one before She read it in her stars that there's something more No matter what it takes no matter how she breaks She'll be the Queen of Hollywood She's believing in a dream Queen of Hollywood It's a loaded fantasy

Now her mother collects cut-outs And the pictures make her smile But if she saw behind the curtains It could only make her cry She's got hand prints on her body Sad moonbeams in her eyes not so innocent a child

She's never gonna be like the one before
She read it in her stars that there's something more
No matter what it takes no matter how she breaks
She'll be the Queen of Hollywood
Queen of Hollywood No she's never gonna be like the one before
She read it in her stars that there's something more
No matter what it takes and even though she breaks
She'll be the Queen of Hollywood
She's the Queen of Hollywood and
Her friends still talk On Corners
She's the Queen of Hollywood
