

The Cranberries, Crazy Heart

whatever makes you feel good
whatever makes you feel alive
it doesn't have to be the heart breaker
the heart breaker
the soul taker
whatever makes you feel young
whatever makes you feel free
I knew you were the strong one
the strong one
the firstborn

mad
whatever makes you feel bad
crazy, crazy heart
whatever makes you feel mad
whatever makes you feel mad
you know that you're a crazy
crazy heart /3x

whenever you decide to run
whenever you decide to fly
always be the heartbreaker
the heartbreaker
the soul taker

you are crazy, crazy heart
whatever makes you feel mad
whatever makes you feel mad
you know that you're a crazy
crazy heart

crazy heart
crazy heart
crazy heart
crazy heart
crazy heart
crazy heart
