

The Cranberries, False

(on Dreams/Linger singles)

Something is standing in my way
And I can't see it
It's clouding up my vision
It intimidates me
I didn't want to
I didn't want to come here in the first place

You are resigning, you are resigning
Because they're false
People can be so false sometimes
When they don't find words
People can be so false sometimes

I didn't want to
I didn't want to come here in the first place

You are resigning, you are resigning
Because they're false
People can be so false sometimes
When they don't find words
People can be so false sometimes

Doo-doo-doo
Doo-doo-doo
Doo-oo
