## The Cribs, Baby Don

Now and again I've got a lot to say And I can't afford you this one Oh yeah, she asks me where I'm going Now and again I'll find a friend who knows She asks me where I'm going Oh yeah, she asks me where I'm going

Well if you're always in debt Baby don't sweat I promise it will always be fine I'll never forget I'm always in debt Baby you opened my mind

Now and again I've got a lot to say And I can't afford you this one Oh yeah, she asks me where I'm going Now and again I'll find a friend who knows She asks me where I'm going Oh yeah, she asks me where I'm going

Well if you're always in debt Baby don't sweat I promise you it'll always be fine I'll never forget I'm always in debt to you Baby you opened my mind

So if you're always in debt Baby don't sweat I promise you'll always be fine I'll never forget you I'm always in debt to you Honey you blew my mind

Now and again I've got a lot to say And I can't afford you this one Oh yeah, she asks me where I'm going Now and again I find a friend who knows She asks me where I'm going Oh yeah, she asks me where I'm going
