

The Cult, Bleeding Heart Graffiti

I wipe the blood from my lip

With a ragged scarf now

I get the feeling

You don't care anymore

Shaken up and shattered

I pick myself from the floor

Those sweat stained dreams

All tattered and torn

Oh bleeding heart graffiti

I don't need it

Baby I don't need it

Oh bleeding heart graffiti

I don't need it

baby I don't need it

Amongst the broken glass now

You standing in the street

Times a crawling

My life slipping by

Although I hang my head down

To the grownd and I

Tired of crying

Those whiskey soaked tears

Oh bleeding heart graffiti

I don't need it

Baby I don't need it

Oh bleeding heart graffiti

I don't need it

baby I don't need it

I will follow the rainbow

To the end of the road and I

Didn't do you no harm, well woman

I'm a man waiting for the sun to shine

I have waited for too long, yea baby

Don't you cry now woman

Don't you cry now honey

'Cause sometime that sun is gonna shine on me, yea

Oh bleeding heart graffiti

I don't need it

Baby I don't need it

Oh bleeding heart graffiti

I don't need it

baby I don't need it

Bleeding heart graffiti

I don't need it

Baby I don't need it

Oh bleeding heart graffiti

I don't need it

baby I don't need it
