The Cure, Close to me

I've waited hours for this I've made myself so sick I wish I'd stayed asleep today I never thought that this day would end I never thought that tonight could ever be This close to me Just try to see in the dark Just try to make it work To feel the fear before you're here I make the shapes come much too close I pull my eyes out Hold my breath And wait until I shake But if I had your faith Then I could make it safe and clean If only I was sure That my head on the door was a dream I've waited hours for this I've made myself so sick I wish I'd stayed asleep today I never thought that this day would end I never thought that tonight could ever be This close to me But if I had your face I could make it safe and clean If only I was sure That my head on the door Was a dream
