

The Cure, Happy Birthday Simon

Simon is twenty in half an hour, so this is for him.

Those down days
When you felt so young
And everything seemed

You saw the people
Around You
Getting old

You wake up
The teenage yearn is
Gone for you

It happens to others
It happens all the time
Happy birthday to you
Happy birthday to you
Happy birthday to you
Happy birthday to you

The candles on the cake
Waiting to be blown
Wish I was
An other
