## The Cure, (I Don't Know What's Going) On...

I don't know what's going on I am so up close to you I don't know what's going on I don't know what's going on I am so confused by you I don't know what's going on

Don't say anymore To me at all To me at all... Don't say more To me at all To me at all...

I am so in love with you... With you...with you I am so in love with you... With you...with you

I don't know what's going on I am so in deep with you I don't know what's going on I don't know what's going on I am so disturbed by you I don't know what's going on

Don't say anymore To me at all To me at all Don't say more To me at all To me at all

I am so in love with... You!
