

# The Cure, Let's Go To Bed

Let me take your hand  
I'm shaking like milk  
Turning  
Turning blue  
All over the windows and the floors  
Fires outside in the sky  
Look as perfect as cats  
The two of us together again  
But it's just the same  
A stupid game

But I don't care if you don't  
And I don't feel if you don't  
And I don't want it if you don't  
And I won't say it  
If you don't say it first

You think you're tired now  
But wait until three...  
Laughing at the Christmas lights  
You remember  
From December

All of this then back again  
Another girl  
Another name  
Stay alive but stay the same  
It's just the same  
A stupid game stupid game

But I don't care if you don't  
And I don't feel if you don't  
And I don't want it if you don't  
And I won't play it  
If you don't play it first

You can't even see now  
So you ask me the way  
You wonder if it's real  
Because it couldn't be rain...  
Through the right doorway  
And into the white room  
It used to be the dust that would lay here  
When I came here alone

But I don't care if you don't  
And I don't feel if you don't  
And I don't want it if you don't  
And I won't say it  
If you don't say it first

Doo doo doo doo  
Let's go to bed!  
Doo doo doo doo  
Let's go to bed!
