

The Cure, Mr. Alphabet Says

Here comes the book
the book of rules
If you play this game
you won't stay the same
you could win your golden teeth
be a spinning top
Use a riding crop
Mr alphabet says
"Smile like a weasel
as I cover you...
cover you in treacle";
We all know impatience
is a sin..so do as you're
told to do, it's so rewarding to...
and you could win the tin man's heart
be a chiming clock
lie on the chopping block
Mr. Alphabet says
"Give me all your money
Just to cover you
cover you in honey";
Don't be afraid
There's no marmalade
Don't be afraid
I wouldn't even dream of it!
