

# The Cure, Ocean

I don't think I'm any closer now  
Than I was at fifteen  
I still don't know  
What I really want  
Or how I really feel  
Sometimes I think  
I've seen too much  
Sometimes nothing at all  
And sometimes I think  
I just forgot  
What I was looking for  
But I still need to believe in you  
I still need to know you'll never  
Never give up  
I believe in you...  
So how can you ever let  
My hope turn to despair?  
How can you ever stop  
Telling me you care?  
But I still need to believe in you  
I still need to know you'll never  
Never give up  
I believe in you...  
So how can you ever let  
My hope turn to despair?  
Tell me you believe it too  
Tell me that you care  
How can you ever let  
My hope turn to despair?  
How can you ever stop  
Pretending?
