

# The Cure, The kiss

Kiss me kiss me kiss me!  
Your tongue is like poison  
So swollen it fills up my mouth  
Love me love me love me!  
You nail me to the floor  
And push my guts all inside out  
Get it out get it out get it out!  
Get your fucking voice  
Out of my head!  
I never wanted this  
I never wanted any of this  
I wish you were dead  
I wish you were dead  
I never wanted any of this  
I wish you were dead  
Dead  
Dead  
Dead
