

# The Cure, The Top

"I don't care"  
If only I could say that  
And not feel so sick and scared  
"I don't care"  
If only I could say that  
If only my eyes would close...

"It's Jesus brilliant"  
You used to laugh  
"Walking these gorgeous blocks...  
This top is the place  
Where nobody goes  
You just imagine  
You just imagine it all... "

Every day I lie here  
And know that it's true

All I really want is you

Please come back  
Please come back  
Like all the other ones do...

Please come back  
All of you...
