

The Cure, Trust

There is no-one left in the world
That I can hold onto
There is really no-one left at all
There is only you
And if you leave me now
You leave all that we were
Undone
There is really no-one left
You are the only one

And still the hardest part for you
To put your trust in me
I love you more than I can say
Why won't you just believe?
