The Damned, Dozen Girls

won't you tell me the reason why

he goes out, almost every night?

he never goes too far,he's always

the one who's got it right

chorus

he's got charm

he's got style

he's got a dozen girls

tell me why,i don't know why

he's got a dozen girls

now he's always the one with all the hooks

when it comes to making it with you

now i would be there in his place if only

i knew what it is i had to do

repeat chorus twice

he's alright and he dont care, he' got thermal underwear (repeat several times)
