

# The Damned, End Of Time

I've woken from darkness with passion  
You're surely to blame for it  
This torture so wicked  
You hurt me just for the hell of it

'Til the end of time  
The end of time  
You will be mine

You want me, I need you  
Don't ever say that it cannot be  
You're wondering, I'm dreaming  
I hope and pray that you'll stay with me

'Til the end of time  
The end of time  
You will be mine

Love don't play be rules so  
Ignore the world when it cannot see  
Feels strange now, I'm chained now  
It's only you that can set me free

'Til the end of time  
The end of time  
You will be mine

I sit in the dark and, and wonder  
Wonder what might have been  
Alone now forever no sweeter pain  
Than those memories
