

The Damned, Life Goes On

life goes on and on and on

if you think it's all gone wrong

go on and on and on

life's a con a con a con

if you think you can't go on

go on and on and on

chorus :

but always remember,

this is the happiest day of your life

(repeat first verse, then :)

and as the years they move along

i see it now, there's something wrong

'cos life is for always

take your time

who cares what fools say

i don't mind

'cos this is my day

i'll live it my way

today, there's just today

repeat first verse
