The Damned, Lively Arts

i'm gonna stay in bed all day i'm not gonna hear a word you say it's gonna be a life of style for me electric blankets, pillows, fire, and tv chorus: take a look outside those lively arts are on the slide and culture's just a bore when you're angry ,young and poor but if i got my way those idle rich would pay when the discussion starts on the lively arts i'm gonna be a lazy slob stuff the folks and sod the job and tell the foreman that i'm ill and in a week i'll be here still yes i will repeat chorus
