

# The Damned, My Desire

My desire is your frustration  
It's hard for you to take  
The way I've changed  
Your strange ways  
Have left me cold and hollow  
I know you never cared  
But it scared the hell out of me

Now it's coming clear to me  
This fear is in my mind  
It's opened up a can of worms  
Open up my mind

Well! curse this town  
It's just no good for me  
I'm gonna leave it all behind in pieces  
I'm gonna walk a line  
Yeah, get right out of here  
If it's the last thing  
I do I am leaving

Now it's coming clear to me  
The fear is in my mind  
It's opened up a can of worms  
Open up my eyes

Now it's coming clear to me  
The fear is in my mind  
It's opened up a can of worms

Now it's coming clear to me  
The fear is in my mind  
It's opened up a can of worms  
Open up my eyes

Now it's coming clear to me  
The fear is in my mind  
It's opened up a can of worms

My desire  
My desire
