## The Damned, My Desire

My desire is your frustration It's hard for you to take The way I've changed Your strange ways Have left me cold and hollow I know you never cared But it scared the hell out of me

Now it's coming clear to me This fear is in my mind It's opened up a can of worms Open up my mind

Well! curse this town
It's just no good for me
I'm gonna leave it all behind in pieces
I'm gonna walk a line
Yeah, get right out of here
If it's the last thing
I do I am leaving

Now it's coming clear to me The fear is in my mind It's opened up a can of worms Open up my eyes

Now it's coming clear to me The fear is in my mind It's opened up a can of worms

Now it's coming clear to me The fear is in my mind It's opened up a can of worms Open up my eyes

Now it's coming clear to me The fear is in my mind It's opened up a can of worms

My desire My desire My desire
