

# The Damned, Second Time Around

I remember what you said, second time around

Don't you wish that we were dead, second time around

Now its time for you to see, second time around

What your love so did for me, second time around

Really famous stinking rich, second time around

Straight up there without a hitch, second time around

I remember what you said, second time around

Don't you wish that we were dead, second time around

No more getting pushed around, second time around

Back to haunt you with our sound, second time around
