

# The Damned, Smash It Up, Part 1

We've been crying now for much too long  
And now we're gonna dance to a different song  
I'm gonna scream and shout til my dying breath  
I'm gonna smash it up til theres nothing left

Oooh ooh smash it up, smash it up, smash it up  
Oooh ooh smash it up, smash it up, smash it up

People call me villain oh its such a shame  
Maybe its my clothes must be to blame  
I don't even care if I look a mess  
Don't wanna be a sucker like all the rest

Oooh ooh smash it up, smash it up, smash it up  
Oooh ooh smash it up, smash it up, smash it up

Smash it up  
Smash it up  
Smash it up  
Smash it up  
Smash it up

Smash it up, you can keep your krishna burgers  
Smash it up, and your Glastonbury hippies  
Smash it up, you can stick your frothy lager  
Smash it up, and your blow wave hairstyles

And everybody's smashing things down  
I said everybody's smashing things down yeah
