

The Damned, Smash It Up(Pt 2)

We've been crying now for much too long

And now we're gonna dance to a different song

Gonna scream and shout til my dying breath

Gonna smash it up til theres nothing left

(chorus)

Oooh ooh smash it up, smash it up, smash it up

Oooh ooh smash it up, smash it up, smash it up

People call me villain oh its such a shame

Maybe its my clothes must be to blame

I don't even care if I look a mess

Don't wanna be a sucker like all the rest

(chorus)

Smash it up (x5)

Smash it up, you can keep your krishna burgers

Smash it up, and your Glastonbury hippies

Smash it up, you can stick your frothy lager

Smash it up, and your blow wave hairstyles

(repeat verse 1)

(chorus)

And everybodys smashing things now

I said everybodys smashing things now yeah
