

# The Damned, Stretcher Case Baby

(chorus)

13 with a problem(x3)

you're a stretcher case baby

say you could kiss like a dream

said your flesh was like peaches and cream

but while you're here, that don't mean a thing

cause you're a stretcher case baby

(chorus)

it may be the floor

for the third year whore

but soon you'll be laid out

not in ecstasy but

its your autopsy

(chorus)

so i wouldn't pay

so why did you say i'll scream

you caught a brick in your face

and thats why you're a stretcher case baby

(chorus) (x2)
