

# The Damned, Teenage Dream

Standing around trying to get her somewhere  
Whatcha gonna do?  
Tried and I can't speak  
Gets you nowhere  
Looking for a scheme

Ahh teenage dream  
Ahh teenage dream  
Lookin' for another teenage dream  
Lookin' for another teenage dream  
Well I'm lookin' for another teenage dream  
Well I'm lookin' for another teenage dream

Stranger things have happened  
Stranger things than this  
What makes you feel so bad?  
Stuck in the city  
Hiding in the trash well feels like  
I've been had

Ahh teenage dream  
Ahh teenage dream  
Lookin' for another teenage dream  
Well I'm lookin' for another teenage dream  
Lookin' for another teenage dream  
Well I'm lookin' for another teenage dream

Lookin' for another teenage dream  
Lookin' for another teenage dream  
Well I'm lookin' for another teenage dream  
Well I'm lookin' for another teenage dream  
I said teenage teenage teenage dream  
Teenage teenage teenage dream  
Teenage teenage teenage dream  
Teenage teenage teenage dream

Teenage teenage dream  
Teenage teenage dream  
Teenage teenage dream  
Teenage teenage dream
