## The Dandy Warhols, Every Day Should Be A Holi

Summertime,
If I was getting paid
For getting drunk and getting laid.
I'd grab a phone
Just to call you up and say
Quit your job
'Cuz I got it made.

Anytime, Baby let's go Every day should be a holiday.

Super cool,
The Dandys rule, okay!
Got the dough and
I got the raves.
Anytime call me up if you got the sun,
'Cuz I got the waves.

Anytime, Baby, let's go

Every day should be a holiday.
