

The Dandy Warhols, I Love You

I love you (32x)

I only just met you before,
But I can't understand
You don't want me more.

You may-be think I'm
Too smart and weird,
But that should only
Make you want to hear that,

I love you (16x)

You make me feel really
Unsure,
But that should only make
You feel secure.
Although we've only known
Each other a bit already,
I can't sleep at night and I feel
Like shit. That's right.

Ah's and bah-bah's
