

The Dandy Warhols, Minnesoter

Yeah, I could rock her
Like a doctor
If I found a way to get her off first
I could own her, the crazy loner,
If I found my way to Minnesoter.

In a slumber, I'm sawing lumber
I saw my baby dance a Latin
Number with her shirt off
Man her skin's soft
But in a mood she'd rather
If I jerked off.

If I found my way to Minnesoter
Minesoter, oh yeah.

Yeah, I could rock her
Like a doctor
If I found a way to get her off first
I could own her, the crazy loner,
If I found my way to Minnesoter.

If I found my way to Minnesoter
Minesoter, oh yeah.
