

The Darkness, Girl With The Hazel Eyes

From a town that once could boast prosperity
She had trekked for many moons from the land afar
Where the cruel nets had emptied the northern sea
And she said
'Hoots I canna get back tae me hoose in bonny Scotland'

Girl with the Hazel Eyes
Ahhhh...
Girl with the Hazel Eyes
Aahhhh...

The elements had taken their toll on her
Her face was weather beaten and her hair greasy
I've never seen a set of eyes more hazelerer
And a tear did fall as she looked up at me
And said
'Hoots I canna get back tae me hoose in bonny Scotland'

Girl with the Hazel Eyes
Ahhh...

Girl with the Hazel Eyes
Ahhh...

I shall travel with thee for to see your folks in Scotland
With their blessing on one knee I shall ask for your left hand

Girl with the Hazel Eyes
Ahhh...

Girl with the Hazel Eyes
Ahhh...

Girl with the Hazel Eyes
Ahhh...

Girl with the Hazel Eyes
Ahhh...
