

# The Darkness, Is It Just Me

I know that the absence might  
Make the heart grow fonder  
Or is it "out of sight  
Out of mind" I wonder  
And do you yearn for me  
When the nights grow cold  
'til death do us part  
To have and to hold  
I wanna give you my love, my love, my love  
But is it just me or am I all on my own again?  
You're up at John O'Groats, I'm down in Lands End  
On you I depend  
I see your face  
When I close my eyes  
And there ain't no place  
Like between your thighs  
Don't want a life alone  
All by myself  
To honor and trust  
In sickness and health  
I wanna give you my love, my love, my love  
But is it just me or am I all on my own again?  
You're in the Taj Mahal, I'm outside Big Ben  
It's driving me round the bend  
Forever and ever  
And ever, amen  
I wanna give you my love, my love, my love  
But is it just me or am I all on my own again?  
Is it just me or am I all on my own again?  
You're in the Vatican, I'm in the Yemen  
And it feels like the end  
The end
