## The Darkness, Street Spirit(Fade Out)

(radiohead cover...but done alot differently so lyrics are missing if comparing with original version but its how the darkness do it)

Rows of houses, all bearing down on me I can feel their blue hands touching me All these things into position All these things will one day take control fade out again, fade out again

Cracked eggs, dead birds Scream as they fight for life I can feel death, can see its beady eyes All these things into position All these things will one day take control fade out again, fade out again

fade out again, fade out again
