

# The Divine Comedy, Edward The Confessor

I'm so sorry  
Please forgive me  
For knowing that I'm wrong but insisting I'm right  
For wanting everything to be either black or white  
For wallowing in self-pity, confessing all my sins  
For studying my thoughts till my head caves in  
For all the things I've said but regret so much now  
For all the things I should have said but I couldn't somehow  
For all the times I've meant them  
And I've known them for so long  
But I still get endings wrong

I'm so sorry  
Please forgive me

For trying to be all things to all men  
For shelving my objectives time and time again  
For looking for perfection in everything I do  
When really I need only look as far as you  
For demanding to be loved by someone who  
Then dispatching quietly over a pint of beer  
Well yeah, I did it without malice  
And I did it without shame  
But I did it just the same

I'm so sorry  
Please forgive me

For coming home from work in the middle of the night  
For waking you up with the bathroom light  
For wanting to touch you with these cold cold hands  
For wanting to have you just because I can  
For always running from an argument  
When I ought to stand and fight  
For suppressing my emotions  
'cause I'm too goddamn polite  
and then for thinking that by simply saying sorry  
I could suddenly make everything alright

I'm so sorry please forgive me...  
I'm so sorry please forgive me...
